

A convenient way to manage your therapeutic surface rental products

THERAPEUTIC SURFACES ONLINE ORDERING PROGRAM

Arjo Express

Taking care of your patients with a pressure injury and critical needs is easier than ever before. Set up online management of therapeutic surfaces for your facility. It is easy to use and each facility can configure Arjo Express to the needs of a specific department or ward.

For further information please contact us on 1800 00 7368 (RENT), or via email at customerservice-au@arjo.com

Arjo Express offers benefits

- Secure and confidential site access
- Enables users to track Arjo therapeutic surface systems throughout one or multiple facilities
- Provides valuable rental information including: rental start date, rental end date, patient identifier, unit serial number, and ward location
- Rental reports available including daily, monthly, quarterly, and annual reporting
- Real time information is available as users input information
- Allows for custom set up for multiple users, such as business chain access
- Site is regularly upgraded to reflect the changing needs of our customers
- Ease of ward to ward transfers
